VASHON
MAURY
ISLAND
LAND
TRUST

March 2011

Dear Members and Friends:

Thanks to your support and the efforts of many others in 2010, the Land Trust had another banner year. We are particularly proud of the role the Land Trust played in the acquisition of the Glacier Mine site on Maury Island. In addition to our participation in the Glacier deal, this past year we continued the strategic acquisition of environmentally sensitive parcels, strengthened our stewardship capabilities, and continued to develop a growing and very popular network of trails that help make Vashon's natural areas accessible to all. Oh, and Salmon Chanted Evening in September was another great time!

The Land Trust's substantial accomplishments during 2010 were all aimed at improving the quality of our lives on Vashon and preserving that quality of life for generations to come. Our successes are possible only through the efforts of our dedicated members, volunteers, board and staff. We are extremely grateful for your continuing support and confidence, and we especially appreciate the donations we've received during these current lean times. With your backing, we will keep focused on our core mission and long term strategic goals during 2011 and beyond.

I've been honored to serve as Board President of the Land Trust during 2010. Bianca Perla will be taking over as Board President for 2011 and will do an excellent job. With a very strong Board and a dedicated, highly competent staff, the Land Trust is in good hands!

As always, we'd like to hear from you and know about your priorities as we move ahead.

Thank You,

Leif Ormseth, Board President, 2010

HIGHLIGHTS of 2010

- **GLACIER DEAL CLOSED!** On Dec 30th the 250-acre mine site on Maury Island was purchased by King County, to be protected as a public park. A victorious result of 13 years of community perseverance and tenacity. Congrats all!
- Rewarded with a first-place ranking for a proposal to buy an additional ten acres of the magical Whispering Firs Bog.
- Completed the Waterworks-funded Singer property project to protect salmon spawning habitat by fencing livestock out of Judd Creek.
- Purchased a tractor to help keep up with the stewardship work involved in maintaining and restoring our ever-increasing inventory of natural preserves.
- Had a great time again partying with over 400 of you at Salmon Chanted Evening.
- Hosted 3 summer interns from the Student Conservation Association, in conjunction with Vashon Park District.

Photo © Preserve Our Islands

Land Trust executive director Tom Dean, and land steward Abel Eckhardt, take delivery of the new tractor.

Partiers enjoy themselves at Salmon Chanted Evening.
